An Invitation To Margaret Lockwood Gallery Grand Opening Celebration

Sunday, May 29 from 3:00 - 5:00pm

Sturgeon Bay, WI: One of Sturgeon Bay's most historic buildings has been brought back to life and is now the new home of Margaret Lockwood Gallery. You are most cordially invited to the Grand Opening celebration reception, Sunday, May 29 from 3:00 - 5:00pm. There will be beverages and appetizers by Nistebox, music by Tarl Knight and a performance by Jaco the Magician. Featured are the ethereal Door County landscape paintings of Margaret Lockwood, the large scale metal sculptures of Dan Bresnahan, the woven gold and silver jewelry of Angela Lensch and the often whimsical ceramics of Renee' Schwaller.

This may also be the only time you will be able to tour the entire renovated project including the residence and the spectacular four double arched windows that look out over the bay and Steel Bridge. Light now streams through the windows for the first time in 44 years during which time they were boarded over. You can see the repurposed vault doors of Sturgeon Bay's first "bank" then go downstairs to see the performance space where puppets and storytellers and homemade films will rule the stage. A walk-in drive-in theater will be a feature of the outdoor terraced space.

Lockwood's paintings are the true main attraction with their subtle interpretation of the life and magic of Door County's beauty, skies, woods, waters and bluffs. Her work has been said "to have the power to make the viewer weep", "to contain the essence of Door County", "to help people appreciate what it is that makes Door County so special". Lockwood is a Door County Master artist and multi-award winning artist, including the Wisconsin Triennial and Sacajawea collections. She is the former artistic director and faculty member of the Peninsula School of Art and a frequent participant in regional solo and group exhibitions. Her work can also be seen at Woodwalk Gallery where she was the former artist/ owner.

Margaret Lockwood Gallery is located at the intersection of Michigan Street and 2nd Ave. in the old, white PBI warehouse building. There is parking diagonally across the intersection, on First and Second Streets, and in the parking garage on First Ave. The main doors face 2nd Ave. The building is in the center of the Steel Bridge Creative District so you are invited down the street to Popelka/ Trenchard Glass and Tarl Knight appears courtesy of the Holiday Music Motel.

About Margaret Lockwood: Margaret is a recipient of the Door County Master Artist award, the Milwaukee Women's Professional Dimensions Sacagawea Award, the Wisconsin Arts Association Triennial show in Madison and other awards and exhibits throughout the Midwest.
